

Systar Announces Reseller Agreement with Decillion Group

ST. CLOUD, France and Vienna, VA, September 16, 2009 - Systar (ISIN: FR0000052854-SAR), a leading provider of performance management software, today announced that Decillion Group has signed a Reseller Agreement with Systar. Decillion Group is a systems integrator and solutions provider focused on the financial services industry.

Under the terms of the agreement, Decillion Group will resell BusinessBridge, Systar's industry-leading Business Activity Monitoring (BAM) platform, to banking and financial services customers within the Asia-Pacific market. Decillion Group will develop a BusinessBridge Center of Excellence and deliver regional implementation and support services for Systar software.

Thaddaeus Pang, COO of Decillion Group stated, "BusinessBridge will greatly enhance our solutions offering. It enables us to provide customers with the real-time insight into operational performance that is vital to successfully competing in today's financial services industry."

"We are pleased to forge this new relationship with Decillion Group," said Bertrand Bouhour, President of Systar, Inc. "Decillion Group will expand Systar's presence in the Asia-Pacific region while delivering world-class implementation services."

About Decillion Group:

Established in 1995, Decillion Group is a systems integrator and solutions provider focused on providing "software as a service" (SAAS) and "platform as a service" (PAAS) to the financial industry in the Asia-Pacific region. Headquartered in Singapore, Decillion Group has offices in Australia, Malaysia, Thailand, Indonesia, China and Vietnam.

About Systar:

Over 180 clients worldwide, including 10 of the world's 15 largest banks, rely on Systar's performance management software to maximize the efficiency of their business operations and IT infrastructure. Systar is widely regarded as the leading provider of Business Activity Monitoring (BAM) solutions and offers innovative capacity management software for both physical and virtual server environments. Systar is listed on the NYSE Euronext Paris Stock Exchange (ISIN: FR0000052854-SAR), and has offices in North America and Europe. More information about Systar is available at www.systar.com
